

One network. Endless possibilities.

Gig-enabled Wi-Fi & live streaming TV.

Instantly available, property-wide.

Offer Residents a Better Experience

94% of residents rate high-speed internet as the #1 amenity.

Premium Wi-Fi

Gigabit networks with enterprise-level security mean bingers can binge, gamers can game, and online shoppers can shop during peak hours. No lag, no buffering, no problem.

Live Streaming TV

Get 24 of the most popular DISH channels, including locals, and the ability to integrate streaming services like Netflix, Hulu and more on any browser-enabled device.

Netflix and Hulu streaming memberships required.

Property-Wide

Property-wide TV & Wi-Fi means residents can securely access their personal network to watch TV at the pool, check emails in the gym, or stream their favorite show on the patio.

Instant-On

Move-in day is stressful. That's why DISH Fiber is ready and waiting, so your residents can log on and watch TV as soon as they move in.

No-Hassle Upgrades

DISH Fiber allows your residents to easily upgrade programming and entertainment equipment at reduced prices—no long-term commitments, credit checks or tech appointments needed.

The Time is Now

Are you meeting the needs of your residents today *and* tomorrow?
Are you maximizing your revenue opportunities?

New Sources of Revenue

Create incremental net operating income with internet and TV offered through a fee revenue model that beats revenue sharing every time.

Traditional Model
